SERITEX

S-360 FAST FIXER

(FIXING AGENT)

SAFETY DATA SHEET

(According to(R.G.13.12.2014-29204))

Version: 1.1
Revision: 10.03.2026
Printing date: 10.03.2026
No: FR-GBF-AD003

1. Identification of the substance/mixture and Company

1.1. Product Name: SERITEX S-02

1.2. Product Description: Auxiliary chemicals for textile printing

1.3. Company/Supplier Name: SERIMAK SERIGRAFI MALZ. SAN.A.S.
Cumhuriyet Mahallesi, Dersaadet Caddesi
No:15 Sultangazi - İSTANBUL / TÜRKİYE
Tel: 0212 668 20 20 Fax: 0212 247 09 93

1.4. Emergency telephone: 0212 668 20 20

2. Composition/Information on Ingredients

Chemical characterization :

Component	CAS No	%
Polyisocyanate	-	%100

3. Hazard Identification

Appearance:
Clear viscous liquid, No specific odor

Emergency Overview:
No special attention

Potential Chronic Health Effects:
No

Carcinogenicity:
None established
Additional information see Toxicological Information (Section 11).

4. First Aid Measures

Emergency First Aid:
Eyes:Flush with copious amounts of water for 15 minutes.
Get medical attention if symptoms persist.

Skin: Remove excess material and wash affected skin with soap and water.
Gently dry area with a clean towel.

Inhalation: Remove to uncontaminated area.
If not breathing, give artificial respiration.
If breathing is difficult, give oxygen.

Ingestion: Induce vomiting if conscious and as directed by a physician.
Never give anything by mouth to an unconscious person.
Get medical attention.

5. Fire Fighting Measures

Flash Point (F): Not ignitable. Flash point not applicable.
Flammable Limits LEL (%): Not applicable.
Flammable Limits UEL (%): Not applicable.

Extinguishing Media:

Flood with water or use carbon dioxide, foam, or dry chemical.

Fire Fighting Procedures:

Positive pressure self-contained breathing apparatus and structural firefighters' protective clothing as required for other materials present.

Fire & Explosion Hazards:

Irritating or toxic gases, fumes, smoke, or particulates. Unusual fire or explosion hazards are not expected. Relative hazard is anticipated to be the same as normal combustible materials.

6. Accidental Release Measures

Step to Be Taken in Case Material Is Released or Spilled:

Excessive exposure by skin contact should be avoided as a matter of good hygienic practices.

Disposal:

Pay attention to the local prescriptions – it is possible to bring the material to a suitable refuse dump.

7. Handling and Storage

Handling:

Avoid contact with eyes.
Keep container closed.

Avoid prolonged or repeated contact with skin.
Wash thoroughly after handling.

Storage:

Keep container dry.
Keep containers sealed until ready for use.

8. Exposure controls/ Personal Protection

Engineering Controls:

No special attention

Personal Protection:

Eyes:Safety glasses.
Body:Protection rubber or vinyl uniform .
Respiratory:Dust mask.
Hands:Recommended: Rubber or vinyl gloves .
Feet:Not applicable.

Exposure Guidelines:

Component	OSHA PEL	ACGIH TLV
Not applicable.		

9. Physical and Chemical Properties

Boiling Point (C 760mmHg): No data
Melting Point (C): No data
Specific Gravity (H_2O=1): 1.16 (at 20℃)
Vapor Pressure (mm Hg): No data
Percent Volatile by Wt. (%): No data
Vapor Density (Air=1): No data
Evaporation Rate (BuAc=1): No data
Solubility in Water (%): Insoluble, Dispersible
Appearance: Clear viscous liquid, No specific odor
PH： —
VISCOSITY： 2,000～3,000 mPa·s (25℃)

10. Stability and Reactivity

Stability and Reactivity:
The product is stable.
Hazardous Decomposition Products:
Not applicable.
Hazardous Polymerization:
Will not occur.

11. Toxicological Information

Toxicity Data:
Acute Toxicity: Not available.
Subacute Toxicity: Not available.
Chromic Toxicity: Not available.
Mutagenic Effects: Not available.
Teratogenic Effects: No data.
Carcinogenicity: Not available.

12. Ecological information

Eco toxicity: Not available.

13. Disposal Considerations

Methods of Disposal; Waste of Residues; Contaminated Packaging:
Waste must be disposed of in accordance with environmental control regulations.

14. Transport Information

Hazard classification : Not applicable

Packaging group : Not applicable

UN number : Not applicable

IATA :Not applicable

Conditions to avoid :
Elevated temperature and freeze.(over 40℃ and under 5℃)
SDS of FIXER №360 is not showing UN declaration and point 14.

15. Regulatory Information

Indication of danger:

TSCA Inventory: Not available.
TSCA Statement:

The components of this material appear in the Toxic Substances Control Act (TSCA) Chemical Substances Inventory and are available for commercial use.

EINECS Inventory: Not available.
ECL Inventory: Not available.
AICS Inventory: Not available.

16. CEPA Inventory: **Not available. Other Information**

ADR : European Road Transportation Regulation

RID : European Rail Transportation Regulation

GGVS : Federal German Road Transportation Regulation

GGVE : Federal German Rail Transportation Regulation

The information contained here is based on the present state of our knowledge and is meant to describe the production in regard to the appropriate safety measures. They do not state any assurance of characteristics of the described product.
